In our travels, we have always admired the daughters of CJC Trademark H45.

Trademark is a proven benchmark sire for the breed with over 3400 offspring in the United States.

Trademark is also the foundation sire at Debruycker Charolais as you will find him in the pedigree of almost their entire cowherd.

When we had Wilma 3S at Trans-Ova we had the opportunity to flush her to CJC Trademark H45.

COPYRIGHT has outstanding performance & his EPDs rank him in the top 5% for Weaning Weight and top 3% for Yearling Weight
